As a duly elected body exercising governmental power under color of law of the State of Florida, the Board undertakes and agrees that it will not directly or indirectly discourage, deprive or coerce any employee in the enjoyment of any rights conferred by this Agreement, laws of Florida, or the Constitution of Florida and the United States; that it will not discriminate against any employee with respect to the terms and conditions of this Agreement and his/her participation in any lawful activity of the Association as provided for in this Agreement.
- B. Nothing contained herein shall be construed to deny to any employee rights he/she may have under the Florida School Laws or other applicable laws and regulations.
- C. The Association, a private organization, shall have the same right to use the school buildings as any other community organization.
- D. The Association, a private organization, shall have the same right to use the school facilities as any other community organization.
- E. The Association shall have the right to post notices of activities and matters of the Association on the appropriate and specifically assigned bulletin board. Where a bulletin board is not already provided, the Association will provide one at its expense. The school principal shall determine location of the bulletin board in each school. The Association may have the right to use the employee school mailboxes for the purpose of distributing Association material relating to Association business to employees.

Pursuant to such authorization, the Board shall deduct such sum as authorized in twelve equal monthly payments from the employee's regular salary check beginning with the salary check received by the employee in the month following the date of authorization. The amount deducted shall be the same each month for an employee based on the dues letter filed by SRPE with the payroll department each year. The deductions shall be remitted not less frequently than monthly to the Association.
- K. The Board shall deduct from the salary of any employee and make appropriate remittance, upon written authorization from the employee, for any plans or programs approved by the Board.

Until this representative arrives, the Association member may choose not to participate in the meeting. An investigatory interview occurs when a supervisor questions an employee to obtain information which could be used as a basis for discipline or asks an employee to defend his or her conduct.

### **ARTICLE III: BOARD RIGHTS**

- A. The Board on its own behalf and on behalf of the electors of Santa Rosa County School District, hereby, retains and reserves unto itself, except as specifically stated by this Agreement, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the school code and the laws and the Constitution of the State of Florida and/or the United States. Such rights and duties shall include, by way of illustration and not by way of limitation, the right to:
1. Manage and control its business, its equipment, its facilities, and its operations and to direct all employees and all affairs of the local school district.
  2. Continue its right to adopt policies, and practice of assignment and direction of its personnel, the right to hire, evaluate, promote, suspend, discharge, transfer, lay off, and assign work or duties to employees.
  3. Establish hiring procedures and, subject to the provision of the law, determine the qualifications of employees, including health and conditions.
  4. Establish courses of instruction and in-service training programs for employees and to require attendance at any or all workshops and/or conferences by employees during the normal workday.
  5. Determine the financial policies and all matters pertaining to public relations.
  6. Determine the size of the management organization, its functions, authority, amount of supervision, and table of organization.
  7. Take necessary steps to be in compliance with the Americans With Disabilities Act of 1990.
  8. The listing of specific management rights in this Agreement is not intended to be, nor shall it be restrictive of or a waiver of any rights of management not listed and specifically surrendered herein, whether or not the Board has exercised such rights in the past.
- B. The Association recognizes that the Board is legally responsible for the operation of the entire school system within the geographic boundaries of the Santa Rosa County School District, and that the Board has the necessary authority to discharge all of its responsibilities.
- C. In meeting such responsibilities, the Board, as the legislative and policy making body, acts through the School Superintendent and his/her administrative staff. The Board, Superintendent, and administrative staff shall be free to exercise all of their managerial rights and authority to the extent permitted by law, State Board of Education Regulations, School Board Policies and this collective bargaining Agreement.

### **ARTICLE IV: GRIEVANCE PROCEDURE**

- A. Purpose The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems that may, from time to time, arise affecting the welfare or working conditions of employees. Both parties agree that proceedings shall be kept as informal and confidential as may be appropriate.
- B. Definition Grievance procedures - The grievance procedure is to be used for the settlement of

disputes between employer and employee, or group of employees, involving the interpretation or application of the collective bargaining Agreement. No grievance shall be adjusted without prior notification to the Association providing opportunity for an Association representative to be present when requested by the employee.

1. A grievant is the employee or group of employees making the claim.
2. A Party in interest is the employee or employees making the claim and any person who might be required to take action in or against whom action might be taken in order to resolve the claim.
3. Days shall mean working days.

- C. Procedure A grievance may be filed by a grievant or grievants whenever the grievance applies to more than one building and a group of employees with a common complaint have requested such action.

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each step should be considered as maximum and every effort will be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. A grievance may be initiated at step two by an employee or group of employees if the authority for correcting the grievance only rests with the Superintendent, his/her designee, or the School Board. The Association shall have the right to be represented at all grievance hearings subsequent to informal step.

**Informal:** In the event that an employee believes there is a basis for a grievance, he/she shall first discuss the alleged grievance with the immediate supervisor with the objective of resolving the matter informally. The informal discussion preceding a grievance is an opportunity for the employee and employer to discuss concerns and try to resolve problems. The employee reserves the right to meet with or without representation at this discussion. However, should the administration choose to not meet with the employee with representation at the informal step, then the employee may choose to bypass the informal step and meet at Step 1 with representation.

**Step One:** If the grievant has been unable to resolve his/her grievance informally, the grievant(s) shall invoke formal grievance by filing the prescribed form (Appendix B) with his/her immediate supervisor within fifteen (15) working days after the event or events on which the grievance is based are known by the grievant. The Association shall be provided with a copy of any grievances filed. The grievance form shall name the employee or employees involved, state the facts giving rise to the grievance, identify all the provisions of this agreement alleged to have been violated, state the contention of employee or employees with respect to these provisions, indicate the relief requested, and shall be signed by the employee or employees involved.

The immediate supervisor shall give the employee or employees an answer in writing not later than six (6) days after receipt of the written grievance.

**Step Two:** If the grievance is not resolved in STEP ONE, the employee must, within six (6) days after receipt of the immediate supervisor's answer, submit to the Superintendent or his/her designee his/her appeal of the immediate supervisor's disposition. The Superintendent or his/her designee and the grievant or grievants shall meet within a

reasonable time, not to exceed ten (10) days, in an attempt to resolve the matter.

The superintendent or his/her designee shall respond in writing to the grievance within six (6) days of the meeting.

**Step Three:** If the grievant is not satisfied with the disposition proposed by the Superintendent or his/her designee, the grievant shall have six (6) days within which to appeal the grievance to the Board. Scheduling of a hearing before the Board will be in compliance with applicable Board policies.

**Step Four:** If the grievance remains unresolved at the conclusion of Step Three, it may be submitted for arbitration at the request of the Association, provided written notice of the request for submission to arbitration is delivered to the Superintendent or his/her designee within six (6) days after the Board's hearing. Within five (5) days after the date of the written request for arbitration, a committee of the Board or its designated representative and the Association, shall make every reasonable effort to agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon a mutually acceptable arbitrator within the time period set forth herein, the party seeking arbitration shall file a request with the American Arbitration Association. The arbitrator shall be selected and the arbitration conducted in accordance with the rules and procedures of the American Arbitration Association (AAA). Associated cost of the arbitrator shall be divided equally between the Association (SRPE) and the School District.

- D. The arbitrator shall then meet with the two parties for the purpose of making a decision relative to the grievance. The arbitrator shall not have the power to add to, subtract from, modify or alter the terms of this Agreement. The Association and Board shall share equally all expenses and fees of the arbitrator. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground or rely on any evidence not previously disclosed in Step One, Step Two, and Step Three to the other party. Both parties agree that the award of the arbitrator shall be final and binding.
- E. The time limits provided in this Article shall be strictly observed, but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the Board shall use its best efforts to process such grievance prior to the end of the school term. Whenever illness or other incapacity of the grievant prevents his/her presence at a grievance meeting, the time limits shall be extended to such time that the grievant can be present. When such grievance meetings and conferences are held during school hours all employees whose presence is required shall be excused, with pay, for that purpose.
- F. Whenever illness or other incapacity of the management representative involved prevents his/her presence at a grievance meeting, the time limits shall be extended to such time that the management representative involved can be present.
- G. Adjustment of any grievance as described herein shall not be inconsistent with the provisions of this Agreement.

- H. All employees will be entitled to their rights under the law. An employee who participates or intends to participate in any grievance as described herein shall not be subjected to discipline, reprimand, warning or reprisal because of such participation or intention. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participant.
- I. Notwithstanding the expiration of the Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.
- J. The failure of the grievant to proceed from one step of the grievance procedure to the next step within the time limits as set forth herein, shall be deemed to be an acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance, unless mutually agreed otherwise.
- K. The failure of an administrator to communicate his/her decision to the grievant or grievants within the specified time limit shall permit the grievant or grievants to proceed to the next step in the grievance procedure.
- L. The filing of a grievance shall in no way interfere with the right of the Board to proceed in carrying out its management responsibilities, subject to the final decision of the grievance.
- M. Any alleged grievance occurring during the period between the termination date of the Master Agreement and the effective date of a new Agreement shall not be subject to the grievance procedure. Any grievance which arises prior to the effective date of this Agreement shall not be processed.
- N. In the event the alleged grievance involves an administrative order, or requirement, the grievant shall fulfill or carry out such order or requirements, pending the final decision of the grievance.

Powers of the Arbitrator: It shall be the function of the arbitrator, and he/she shall be empowered, except as his/her powers are limited below, after the hearing, to make a decision in cases of alleged violation of the specific articles and sections of this Agreement.

- 1. He shall have no power to rule on any of the following:
    - a. Failure to re-employ any probationary employee or employees.
    - b. The placing of a probationary employee or employees on additional probation, in accordance with Florida Statutes 231.351.
  - 2. He shall have no power to change any practice, policy, or rule of this contract; it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board.
  - 3. All claims for back wages shall be limited to the amount of wages that employee or employees would otherwise have earned, less any compensation that he/she may have received from any source during the period of the back pay.
- O. An ESP who has been suspended, demoted, or dismissed by the Board from a position and

who has attained status by serving the required probationary period, shall have the right to appeal such disciplinary action through this grievance process or to the Civil Service Board, but not both. Within (10) days after the charges are filed with the Civil Service Board, or 10 days after the date that the notice of such disciplinary action is served upon the ESP, whichever is later, the ESP may file an appeal with the Civil Service Board

## **ARTICLE V: WORKING CONDITIONS**

- A. The Board and the Association recognize that the primary responsibility of a teacher is to teach and carry his/her fair share of the total school responsibilities. Therefore, the Board agrees that sufficient teacher assistants may be permitted to assist teachers in non-teaching responsibilities, which can, without disrupting the operation of the school, be delegated to auxiliary personnel. The above is under the supervision and direction of the school principal.
- B. The Board will strive, limited to funds available, to provide the necessary materials, buildings, and equipment based on program needs.
- C. All employees shall be entitled to a duty free lunch period of approximately thirty (30) minutes, which shall be considered as part of the school day. Principals may require elementary teachers to accompany their students at lunch during the first ten (10) days of the school year.
  - 1. In schools where teachers desire a sixty (60) minute lunch period during planning days, this may be allowed provided all the following conditions are met:
    - a. Only thirty (30) minutes of these sixty (60) minutes shall be considered as part of the teacher's workday.
    - b. The thirty (30) minutes lost at lunch shall be made up by the teacher each day immediately preceding or succeeding the regular workday as determined by the principal.
- D. Telephone facilities shall be made available to employees for school business. If the employees feel a need for additional facilities, then a telephone pay station may be requested from the telephone company.
- E. The Board will continue, as construction funds are made available, to work toward including desirable facilities for employees at each school site.
- F. Employees shall not be required to work under unsafe or hazardous conditions or to perform tasks, which endanger their health, safety or wellbeing, according to applicable state regulations and (or) laws.
- G. The teacher's regular classroom may be used for conferences with parents and students. If a teacher does not have a classroom available, the principal shall provide the teacher a place for a conference, as soon as a place is available.
- H. All elementary teachers, including special subject teachers, shall have a short relief period in both the morning and afternoon each day in schools where this problem exists and as scheduled by the principals. At all levels, administrators shall not unreasonably deny a short

relief period to any teacher if needed in order to attend to emergency personal matters.

- I. Faculty meetings in each school may be scheduled as necessary by the principal at his/her discretion. Such meetings shall be as brief and well planned as possible and should not exceed one hour in length. The Association president, his/her designee and/or Association building representative shall be given an opportunity at the conclusion of each building faculty meeting to present brief reports and announcements. At meetings pertaining to matters not germane to education, such as commercial salesmen, etc., attendance shall be voluntary.
- J. Every effort will be made to provide well-functioning heating and air conditioning to maintain comfortable conditions in every classroom.
- K. All funds collected in the name of the school become public funds and are subject to laws and regulations governing same. The principal who is held responsible for the internal accounts at the school is encouraged to involve teachers, parents, students, or others who assisted in raising the funds to help him determine how the funds will be expended.
- L. Special area teachers shall be used as substitute teachers only in cases of emergencies.
- M. Educational Support Personnel shall be used for class coverage only in cases when substitute teacher coverage is not possible.
- N. The Board shall, depending on funds available, continue to provide a professional reference library at the district media center.
- O. It is recognized that teachers must meet the individual learning needs of all students. Therefore, the Board agrees to provide multi-level and/or multi-text materials, as budget consideration dictates.
- P. Each school may spend up to 50 percent of its net allocation for "non-adopted" instructional materials. However, it is required that all "basic" textbook needs are provided for before any of the instructional materials/textbooks allocation is spent otherwise. This "non-adopted" material must be evaluated and approved for use before purchase can be made. This is also true of state adopted materials that have not been approved previously for use in the district. The evaluation form (provided by the district office) must bear the signature of the principal or his/her designee, the curriculum coordinator, when provided, and the head of the department or grade chairman. Preferably this process shall involve the administration, curriculum coordinator, and all teachers in a grade level or subject matter area.
- Q. The Board shall continue to provide in each school, depending on funds available, a computer and copying facilities for employees to use in the preparation of instructional materials.
- R. Teachers shall be called upon to participate in planning in such areas as: (1) teaching techniques; (2) courses of study; (3) textbook selection; and (4) other educational matters.
- S\*. Teachers at senior high and middle schools:

Will teach six (6) of six (6) periods with an uninterrupted, unencumbered fifty (50) minute

common planning period. Any deviation from a 6 period assignment for full time instructional personnel must be approved by the District Grade Level Director.

School administration may schedule faculty meetings during this planning time under the following conditions:

1. Unless an emergency arises, the faculty meetings are scheduled at least two working days in advance.
2. Scheduled faculty meetings have at least 10 working days between occurrences.

T\*. Each normal school week, pre-school through elementary grade teachers shall be scheduled a 30 minute uninterrupted, unencumbered common planning time, exclusive of other non-contact (specialty area and lunch) time in the work day.

School administration may schedule faculty meetings during this planning time under the following conditions:

1. Unless an emergency arises, the faculty meetings are scheduled at least two working days in advance.

    - (2) Early Retirement
      - (a) Under FRS early retirement occurs when the employee has at least six (6) years of creditable service but has not reached normal retirement age or date (age 62 or 30 years of service) or for pension plan member enrolling in the FRS for the first time on or before July 1, 2011 early retirement occurs when the employee has at least eight (8) years of creditable service but had not reached normal retirement age or date (age 65 or 33 years of service).
  - c. Daily rate of pay shall be calculated by taking the regular contract salary of the individual and dividing by the days in the contract period. Supplemental pay or pay for part-time additional jobs shall not be used in calculating daily rate of pay.
  - d. Terminal pay shall not exceed an amount determined as follows:
    - (1) During the first three (3) years of service the daily rate of pay multiplied by thirty-five (35) percent times the number of days of accumulated sick leave.
    - (2) During the next three (3) years of service the daily rate of pay multiplied by forty (40) percent times the number of days of accumulated sick leave.
    - (3) During the next three (3) years of service the daily rate of pay multiplied by

- forty-five (45) percent times the number of days of accumulated sick leave.
- (4) During the next three (3) years of service the daily rate of pay multiplied by fifty (50) percent times the number of days of accumulated sick leave.
  - (5) During and after the thirteenth (13) years of service the daily rate of pay multiplied by one hundred (100) percent times the number of days of accumulated sick leave. However, the number of days may not exceed the number of working days for the employee's pay type for a school year, or the number of sick leave days the employee has accumulated as of June 30, 1996, whichever is larger.
- e. If an employee is not participating in **DROP** and has at least fifty (50) days of accumulated sick leave, payment for sick leave days may be made in two calendar year installments after resignation, but prior to official retirement date, if resignation has been signed and notarized by October 31 of a calendar year and the effective retirement date is no later than December 1 of the next calendar year. Payments will be made in December and the month of effective retirement date. Initial payment will be one-half (1/2) of accumulated sick leave days payable at the percentage stated above. These days (one-half of the accumulated sick leave days) shall then be charged to the employee's record as having been used. The final payment shall be calculated based on the number of accumulated sick leave days at date of retirement and at the appropriate percentage as stated in 1-5 above. An employee who selects to use the above method of receiving their terminal pay will not be eligible to use the sick leave bank until (1) all of their sick leave and annual leave has been depleted and (2) the employee has been on leave without pay for the number of days equal to the number of sick leave days for which they have been paid according to this policy. In the event the employee rescinds the resignation and the School Board approves the request, the employee may buy back any or all of the days of sick leave paid for under the above sections. The buyback rate shall be the same as the rate paid to the employee.
- f. If an employee is participating in **DROP** and has at least fifty (50) days of accumulated sick leave, payment shall be distributed according to the following table.

Months in DROP	Number of Payments	Portion for each payment
01 - 12	1	balance
13 - 24	2	1/2, and balance
25 - 36	3	1/3, 1/2, and balance
37 - 48	4	1/4, 1/3, 1/2, and balance
49 - 60	5	1/5, 1/4, 1/3, 1/2, and balance

Payments shall be as follows:

The first and all succeeding payments, other than the final payment, shall be in June, starting in the year the employee enters DROP. The final payment shall be in the month following the last date worked. (Example, last day worked = June 30, final payment = July.) If an employee enters and exits DROP and will not be employed in June of that year, then the remaining balance shall be paid in the month following last date worked. At no time when a payment is to be made, other than the final one, shall the number of remaining days of sick leave be allowed to be less than fifty (50). If that would be the case then either a partial payment or NO payment shall be made.

An employee in DROP will not be eligible to use the sick leave bank until (1) all of their sick leave and annual leave has been depleted and (2) the employee has been on leave without pay for the number of days equal to the number of sick leave days for which they have been paid while in DROP.

- g. Payment for unused sick leave and annual leave shall be processed through the "FICA Alternative Plan for the Santa Rosa County School Board - Plan 001" ("Plan"). The Plan is in accordance with the provisions of the Bencor National Government Employees Retirement Plan as approved by the Santa Rosa County School Board on May 13, 1999. It is understood that should an employee request their funds from the Plan upon separation from the School Board, the company will facilitate getting the employee their money within two weeks of the request or of receiving the money from the School District whichever comes last. No employee shall lose funds as a result of the Plan by withdrawing their money within 30 days after terminating employment with the School Board and the money has been submitted to the Plan.
4. A Santa Rosa County School District employee may donate accrued sick leave to a spouse, child, parent, or sibling, who is also an employee of Santa Rosa County School District. The recipient may not receive or use the donated sick leave until all of his/her sick leave has been depleted, excluding sick leave from the Sick Leave Bank. Anyone who donates accrued sick leave will not be eligible to use the sick leave bank until (1) all of their sick leave has been depleted and (2) the employee has been on leave without pay for the number of days equal to the number of sick leave days he/she donated.

#### B. Illness-In-Line-Of-Duty Leave

In conjunction with the Family and Medical Leave Section of this Agreement, an employee shall be entitled to a maximum of ten (10) days of illness-in-line-of-duty leave each school fiscal year when unable to perform his/her duties because of personal injury in discharge of his/her duties or because of illness from a contagious or infectious disease contracted in his/her work. Such leave shall be non-cumulative from year to year and when approved by the School Board shall be used before charging any absence to regular accrued sick leave; provided the following conditions are met:

1. The principal or the Superintendent shall be notified as soon as the illness or injury occurs.
2. The employee shall file a written claim signed by the principal or the immediate supervisor for attachment to the payroll report for the period in which the illness or injury occurred.
3. 4. The School Board, after determining that the claim correctly states the facts and is valid, will approve the leave.
5. Any workmen's compensation payment received by the employee while he/she is on compensation leave shall be deducted from his/her gross salary or the check received from workmen's compensation shall be endorsed to the School Board.
6. Any employee granted leave as herein prescribed who has used the ten (10) days as provided by law may be granted additional leave by action of the Board as hereinafter

prescribed:

- a. The employee shall file a certificate signed by a health care provider designated by the School Board stating the following:
  - (1) The date the serious health condition began;
  - (2) The probable duration of the condition;
  - (3) The appropriate medical facts regarding the condition that are within the knowledge of the health care provider;
  - (4) A statement from the health care provider that the employee is unable to perform the functions of his/her job.
- b. The employee shall file subsequent written recertification of the medical condition every five (5) weeks during the duration of the condition.
- c. The employee shall report in writing, at least every two (2) weeks on his/her status and intention to return to work.
- d. The employee shall not engage in any type of work for which he/she will receive remuneration.
- e. The employee shall have used all vacation leave and accrued sick leave except for a reserve of ten (10) days.
- f. When the above conditions and requirements are met, the employee will be allowed additional illness-in-line-of-duty leave, as determined by the Board; provided, that the employee is under contract during the time such leave is granted and any payment is made.

### C. Professional Leave

Professional leave may be granted with or without pay as hereinafter provided:

1. Professional leave may be granted to an employee to engage in activities that will result in his/her professional benefit or advancement, including the earning of college credits and degrees or in activities that will contribute to the profession of teaching.
  - a. Any employee who is employed for ten (10), eleven (11), or twelve (12) months during any school year may be granted professional leave as follows:
    - (1) A ten (10) month employee may be granted leave not to exceed five (5) days during the pre-school and/or post-school conference; provided all required records and reports are completed prior to the beginning date of the leave.
    - (2) An eleven (11) month employee may be granted leave not to exceed five (5) days; provided that all required records and reports are completed prior to the beginning date of leave.
    - (3) A twelve (12) month employee may be granted leave not to exceed six (6) days; provided that all required records and reports are completed prior to the beginning date of leave.
    - (4) Where professional leave is granted, the days to be granted will be based on the college starting date not to exceed two (2) days of such leave as travel time when necessary.
    - (5) Leave shall be used for the purpose for which it is granted.
  - b. Professional leave during pre-school and/or post-school conference will not be granted to an employee in annual status except under the following conditions:
    - (1) A ten (10) month employee may be reimbursed for not more than five (5) days upon the successful completion of the course(s) and upon resumption of duty in

the district.

- (2) An eleven (11) month employee may be reimbursed for not more than five and one-half (5-1/2) days pay upon the successful completion of the course(s) and upon resumption of duty in the district.
  - (3) Such leave may be granted upon application provided that all required records and reports are completed and the employee is under contract to render services in the school district for the ensuing school year.
  - (4) Where professional leave is granted, the days to be granted will be based on the college starting date not to exceed two (2) days of such leave as travel time when necessary.
  - (5) Leave shall be used for the purpose for which it is granted.
2. Extended professional leave is leave in excess of thirty (30) consecutive days. Such leave is primarily for the benefit of the employee or that of the teaching profession, and only incidentally for the benefit of the School Board. Extended leave for professional improvement may be granted to an employee provided he/she has served satisfactorily in the district for a period of three (3) years or more.
- a. Any eleven (11) or twelve (12) month employee may take professional leave annually provided in **(1a)** of this article or may take professional leave every five (5) years as follows:

    - (2) A twelve (12) month employee may be granted not more than six (6) weeks of professional leave with pay.
    - (3) Where professional leave is granted, the days to be granted will be based on the college starting date not to exceed two (2) days of such leave as travel time when necessary.
    - (4) Leave shall be used for the purpose for which it is granted.
3. The School Board will grant professional leave without pay when, in its opinion, such leave is justified. The Board will consider each application on its merit and, in arriving at a decision, will consider both the interest of the employee and the general welfare of the school system.

#### D. Maternity Leave

1. A full-time employee who is an expectant mother at the beginning of the school term or who becomes pregnant during the school term shall be granted maternity leave as provided herein. When an employee determines that she is pregnant and wishes to take maternity leave or family adoption, she shall file with the Superintendent a written application for leave with an attached statement from the attending physician stating the expected date of birth of the child. If possible the employee and her immediate administrative superior shall mutually agree to the effective date for the suspension of services. Such decision shall be based on, but not limited to, physical condition, effectiveness in carrying out her assigned duties, availability of a satisfactory replacement, term of service required for credit for a year of service, and the recommendations of the attending physician. The administrative superior shall determine and inform the employee as to the number of days or hours of service required for her to receive credit for a year of service for continuing or professional services contract and salary purposes

during that school year. When a mutually acceptable date for the suspension of services cannot be achieved, the Superintendent shall evaluate the recommendations and information submitted to him by both the employee and their immediate administrative superior and shall make an appropriate recommendation to the School Board for its consideration and action.

2. Maternity leave for an employee shall be granted only when a contractual relationship exists which will be in effect during the period of the leave. The leave application shall specify the period for which leave is requested; provided that leave in excess of one year will not be allowed.
3. Subsequent to the birth of the child, the employee will be returned to duty in accordance with the approved leave application; provided that a certificate from the attending physician is filed with the Superintendent certifying that the employee is physically and emotionally able to return to duty.
  - a. Where an employee in annual contract status is granted maternity leave the employee must be under contract to render services for the school year during which such leave is to occur. Any employee in annual contract status requesting leave for an entire school year must be duly re-appointed and shall enter into a written contract to render services for the ensuing school year prior to the approval of leave. Leave granted to such person shall not be interpreted to assure reappointment for the next school year but shall be only for the purpose of protecting probationary service for continuing or professional services contract purposes. Any employee in annual contract status and on leave shall be considered for reappointment at the time of the reappointment of instructional personnel. Any employee whose services are not satisfactory and who would not, at the time of leave, be considered for reappointment will not be granted leave. Under no conditions will such leave be granted unless the employee has signed a contract covering the period for which the leave is granted.
  - b. Any employee on maternity leave for the remainder of a school year or for the entire school year who, on expiration of leave, wishes to return to duty at the beginning of the next school year shall notify the Superintendent in writing of such desire by not later than April 1.
  - c. If a continuing or professional services contract employee notifies the Superintendent as stated in (b) above, of her desire to return to active employment, such employee shall be assigned to the same or similar position which she held at the time the leave commenced, or if that position is no longer available, to a substantially equivalent position.
  - d. An employee taking maternity leave may, at their option, use any or all of their accrued sick leave, with appropriate statements from their doctor(s).
  - e. Any maternity leave applied for that qualifies for leave under the Family and Medical Leave section of this agreement shall be used in conjunction with the rules of that section of this Agreement.
4. While maternity leave is leave without pay, the ESP employee, upon being granted maternity leave, may request, and if approved by the Board be placed on annual leave with pay until all or part of the employees accrued annual leave credits have been used. However, if the ESP requests that annual leave not be used during the maternity leave period, the School Board shall permit the employee to retain the annual leave credits and

place the employee immediately on leave without pay.

5. Prior to being placed on maternity leave of absence, any employee who suffers any illness caused or contributed to the pregnancy, miscarriage or abortion shall be allowed to use accrued sick leave.

## E. Family and Medical Leave

The Board shall comply with the Family and Medical Leave Act, provided an application for such benefits is submitted with the request for leave and the employee qualifies for such leave. The inclusion of said leave shall not result in the diminishment of leave or benefits that were available prior to the Family and Medical Leave Act. Guidelines for such leave shall be as follows:

### 1. Eligible Employees

Employees of Santa Rosa County School Board who have worked for the Board for at least 12 months and have worked at least 1,250 hours during that time may be entitled to a total of 12 work weeks of leave during any 12-month period when leave is taken for one or more of the following circumstances;

- a. The birth of a son or daughter of an employee and to care for the child;
- b. The placement of a son or daughter with an employee for adoption or foster care;
- c. To care for the spouse, son, daughter, or parent of an employee, if the family member has a serious health condition; or
- d. The employee is unable to perform the functions of the position because of the employee's own serious health condition.

A "serious health condition" is an illness, injury, impairment, or physical or mental condition that involves: (1) inpatient care at a hospital, hospice, or residential medical care facility; or (2) continuing treatment by a health care provider.

In the case of the birth or placement of a child for adoption or foster care, the employee's entitlement to leave expires at the end of the 12-month period beginning on the date of the birth or placement.

Where both spouses work for the Board, their total, combined leave in any 12-month period is limited to 12 weeks if leave is taken for the birth or adoption of a child.

### 2. Intermittent or Reduced Schedule Leave

When medically necessary, intermittent or reduced schedule leave can be taken in cases of a serious health condition, either an employee's own or that of a family member. Intermittent or reduced leave schedule is not available for the birth or placement of a son or daughter.

Employees seeking intermittent or reduced schedule leave based on planned medical treatment are required to produce medical certification outlining the dates on which treatment is expected and the duration of the treatment. Employees are expected to

make a reasonable effort, subject to the health care provider's approval, to schedule treatment so as to not unduly disrupt the Board's operations. Employees are also required to give the Board, through the human resources department, thirty (30) days notice or as much notice as is practicable of their intentions.

In the event an employee requests intermittent or reduced schedule leave due to a family member's or the employee's own serious health condition, the employee may be transferred by the Board to a temporary alternative job for which the employee is qualified and which better accommodates the Board's needs and that of the employee.

Instructional employees who request intermittent leave on a reduced leave schedule to care for a family member, or for the employee's own serious health condition, which is foreseeable based on planned medical treatment, when the employee would be on leave for more than 20 percent of the total number of working days over a period the leave would extend, are required to choose either to:

- a. Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b. Transfer temporarily to an available alternative position for which the instructional employee is qualified which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the employee's regular position.

If the instructional employee does not give required notice of foreseeable family and medical leave as required by this section for intermittent or on a reduced leave schedule, the superintendent may require, at his/her discretion, the employee to take leave of a particular duration, to transfer temporarily to an alternative position, or require the employee to delay the taking of leave until the notice provision is met.

### 3. Notice

A minimum of thirty (30) days advance notice of an employee's intent to take leave is required when it is foreseeable because of:

- a. The expected birth of a baby;
- b. The expected placement of a child for adoption or foster care;
- c. Planned medical treatment for a son, daughter, spouse, or parent with a serious health condition; or
- d. Planned medical treatment in case of the employee's own serious health condition.

If leave has to begin in less than thirty (30) days as a result of one of the above-referenced circumstances, the employee still must provide the Board, through its human resources office, with advance notice as is practicable.

When notified of the need for FMLA, notice will be provided in writing, within ten (10) working days, from the Human Resource Office to the employee concerning eligibility for FMLA and the employee's Rights and Responsibilities. When the employee fails to notify the Human Resource Office in these circumstances, the employee will be considered to have taken "unauthorized leave" and be subject to progressive disciplinary action.

### 4. Certification

When leave is requested based on a family member's or employee's own serious health condition, the employee must provide, in writing, a medical certification of the condition and the need for leave from the employee's health care provider within ten (10) days of the written request for leave. This certification must contain:

- a. The date the serious health condition began;
- b. The probable duration of the condition;
- c. The appropriate medical facts regarding the condition that are within the knowledge of the health care provider;
- d. Where leave is based on care of a spouse, child or parent, a statement that the employee is needed to provide the care and an estimate of the amount of time that the need will continue;
- e. Where leave is based on the employee's own serious health condition, a statement that the employee is unable to perform the functions of his/her job; and
- f. Where intermittent or reduced leave is sought for planned medical treatment, a declaration from the health care provider stating that this kind of leave is medically necessary, the dates that treatment is expected to be given and the duration of the treatment.

This certification will be treated as a confidential medical record and information will be disclosed only on a strictly need-to-know basis, unless otherwise required by Florida law.

## 5. Use of Paid Leave

Accrued paid leave can be elected as follows:

- a. Accrued paid vacation or sick leave for birth, placement or to take care of a sick family member; or
- b. Accrued paid vacation or sick leave to take care of a sick family member or because of the employee's own serious illness.

An employee who wishes to take Family Medical Leave is required to first use all accrued paid leave. Family Medical Leave will begin on an hour for hour basis if intermittent and on the next full work day of absence for a planned continuous leave period.

## 6. Recertification of Medical Condition

- a. An employee who has taken leave because of a serious health condition (excludes leave needed for routine maternity leave) or that of a family member is required by the board to obtain subsequent written recertification of the medical condition when the original certification states a full recovery sooner than the 12 weeks of FMLA eligibility or at the end of the twelve month FMLA designation period, whichever occurs sooner. The Board also requires employees on leave under this provision to report periodically, at least every four (4) weeks, on his or her status and the intention of the employee to return to work. Failure of the employee on leave to report periodically on his or her status may subject the employee to discipline for unexcused absences. Any employee who has exhausted all paid leave can petition the Superintendent and board, by letter, requesting that unpaid hardship leave be granted.

## 7. Restored Employment

Eligible employees who comply with all provisions of this section and who return from family and medical leave have the right to return to the job position that they held when they went on leave, or they may be placed, in the discretion of the Board, in an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. While on leave, eligible employees will retain all accrued benefits. Restored employees, eligible employees returning from family and medical leave, are not entitled to accrue seniority or employment benefits during any period of leave. Restored employees are not entitled to any right, benefit or position of employment other than any to which they would have been entitled had they not taken the leave.

As a condition to restoring an employee whose leave was based on the employee's own serious health condition, each returning employee may be required to provide, in writing, to the Human Resources Department a certification from the employee's health provider stating that the employee is able to resume work.

#### 8. Maintenance of Benefits

The Board will maintain group health plan coverage for employees on family and medical leave for the duration of the eligible employee's leave. Coverage will be provided on the same level and under the same conditions that coverage would have been provided if no leave had been taken.

In the event an employee fails to return to work after the period of leave expires, the Board may recover any premiums the Board paid for coverage during the leave period. Such recovery can be taken from any benefits or wages owed by the Board to the employee.

In the event, however, that the employee fails to return to work because of the continuation, recurrence, or onset of a serious health condition of a family member or the employee's own serious health condition that would otherwise entitle the employee to take leave, or due to other circumstances beyond the control of the employee, the Board will not attempt to recover such premium. In this circumstance, if the current FMLA health care provider's (HCP) certification clearly states an extended duration of need, the employee may request leave of absence. If the HCP certification expires with the expiration of the FMLA designation, the employee may be required to provide, in writing to the Human Resource Office, a statement or certification from the employee's HCP supporting the extended absence.

#### 9. Leave Taken Near the End of Academic Term

Instructional employees who begin leave more than five weeks before the end of a term are required to continue taking leave until the end of the term if:

- a. The leave will last at least two weeks; and
- b. The employee would return to work during the three-week period before the end of the term.

Instructional employees who begin leave for a purpose other than the employee's own serious health condition during the five week period before the end of the term are required to continue taking leave until the end of the term if:

- a. The leave will last more than two weeks; and
- b. The employee would return to work during the two-week period before the end of the term.

Instructional employees who begin leave for a purpose other than the employee's own serious health condition during the three week period before the end of a term, and the leave will last more than five working days, are required to continue taking leave until the end of the term.

For purposes of this Subsection, "academic term" shall mean the school semester as set by the Board.

If an employee is required to take leave for a period of particular duration or is required to continue taking leave until the end of a school term, the entire period of leave taken will count as family medical leave.

#### F. Temporary Duty

An employee may be assigned to be temporarily absent from his/her regular duty and place of employment for the purpose of performing other educational services and other duties.

1. Temporary duty may be assigned as hereinafter provided:
  - a. Where the employee is under the supervision of a principal and a substitute employee is not required and where such absence will not exceed a school day, the principal of the school may assign temporary duty; provided that such assignment is reported to the Superintendent in writing.
  - b. Where the employee of any school will be absent for more than one day, or away overnight, or where a substitute employee will be required, the principal shall obtain the approval of the Superintendent for assignment of temporary duty.
  - c. When an employee will be absent from regular duty in excess of one day, or overnight, or if a substitute will be required, the principal and the Superintendent shall complete the required form for temporary duty.
2. Expenses will be allowed as follows:

3. The minimum time of any leave request shall be 3.75 hours.
4. No single class can be missed more than 15 times in any school year.

B. In lieu of the above section 4.A, the Association president may be granted three (3) continuous hours per day of released time for a full school year provided the Association pays the Board for the full cost of a replacement teacher for such released time. The Association must also notify the Board in writing by July 1 of the year in which they wish to make use of this paragraph.

- C. Section 4.C is in lieu of sections 4.A and 4.B. The Santa Rosa Professional Educators Association's President will be a full-time release position (12month for applicable ESP or a 10 and 2 instructional position) to engage in Association activities. SRPE will pay the school board the total cost for the funding of this position. This cost will include all benefits that the Board provides for this position including life insurance, health insurance, retirement, and workers compensation. Beginning in June 2009, any additional bonus money will be paid on the extra-curricular pay scale and will be included in the total cost for reimbursement by SRPE.

The President is an elected position and the release time would coincide with the two year term (begins June 1 and ends May 31) as outlined in SRPE's by-laws.

In the event the SRPE president is unable to continue at the end of his/her term in office, he/she will be provided the opportunity to return to his/her vacated position at the beginning of the following school year.

5. 6. Duly certified representatives of the Association, not to exceed ten (10) percent of Association members per school or five (5) percent for the district, may be granted temporary duty, without travel or per diem expenses, up to two (2) days, excluding travel time, to attend the annual Association state meeting. It shall be the responsibility of the Association president to present a certified list of representatives to the Superintendent or his/her designee ten (10) days prior to the effective date of leave for approval.

#### G. Military Leave

1. Military leave will be granted to an employee who is required to serve in the armed forces of the United States or of the State of Florida in fulfillment of obligations incurred under the selective service laws or because of membership in the reserves of the armed forces or the National Guard.

2. An employee granted military leave for extended active duty, shall, upon completion of the tour of duty, be returned to employment without prejudice provided an application for re-employment is filed in compliance with the Uniformed Services Employment and Reemployment Rights Act.
3. Compensation allowed during military leave shall not exceed seventeen (17) days as provided in Section 115.07, Florida Statutes. Military leave shall not be counted for allocation of Florida Education Finance Program funds or in determining a year of service for continuing or professional services contract purposes.
4. Extended Active Duty during National/Regional Emergency

For any period exceeding an initial thirty days of active duty for up to eighteen (18) months, the employee shall be entitled to receive from the District salary/wages equal to the difference between the employee's military pay and the employee's district salary provided the employee's military pay does not exceed his/her district salary/wages. The employee must provide the district with all documentation necessary to permit the aforementioned computation prior to the expiration of the initial thirty (30) day period.

Employees who do not request district pay or who fail to provide the documentation required in the above paragraph shall not be entitled to receive any district salary or wages as set forth in that paragraph.

c. Benefits:

If the employee provides documentation of orders for active duty and requests benefit continuance in writing, the employee shall be entitled to continue to receive district health or other insurance benefits. The Board's contribution toward benefits will continue. The employee will continue to pay the employee portion of all premiums.

d. Continued Employment:

- A. Two sick leave banks shall be established by the Board; One for use by participating teachers and one for use by participating educational support employees. The teacher committee will be comprised of:
  1. Two (2) Association members appointed by the Association president.
  2. One (1) employee appointed by the Superintendent.
  3. The Assistant Superintendent of Human Resources.

The educational support employees committee will be comprised of:

1. One (1) SRPE member, who is an ESP, appointed by the president of SRPE.
2. One (1) Blue Collar member appointed by the president of the Carpenters Industrial Council, United Brotherhood of Carpenters and Joiners of America.
3. One (1) exempt educational support employee appointed by the Superintendent.
4. The Assistant Superintendent of Human Resources.

- B. To be eligible for membership in the Sick Leave Bank, the employee:
  1. Shall have completed one year of employment as a full-time employee of the Board.
  2. Be a full-time employee of the Board at the time of application.
  3. Have a minimum of nine (9) days of accumulated sick leave and/or annual leave at the date of application.
  4. Shall apply for membership on an approved form during the enrollment period. This form shall be submitted to the Assistant Superintendent Human Resources. Participation in the bank shall be voluntary on the part of each employee.

- C. Each participating member shall contribute one day of sick leave to the bank upon enrollment. Membership applications shall be submitted during the first twenty (20) workdays of a school calendar year. The committee shall act to approve or disapprove applications on basis of rules herein described. New members become eligible for participation in the Bank on October 1st. Deduction of the day for the new members will be reflected on the October Statement of Earnings and Deductions.

- D. Each participating employee shall contribute, by way of deduction from their official sick leave record, one day of sick leave anytime the balance in the Bank falls below twenty percent (20%) of the number of participants. No employee shall be required to contribute more than two (2) days in any one school year, after the initial membership contribution of one (1) day. The committee shall notify members in writing of the necessary contributions. Members shall have ten (10) working days in which to request withdrawal from the program rather than donate the requested day. Any participating member, who is unable to donate a day of sick leave at the time for contribution to be made, shall contribute their next available sick leave day or be removed from membership. Any sick leave pooled pursuant to this article shall be removed from the accumulated sick leave balance of the employee donating such leave and shall not be available to the donating employee as sick leave.

- E. Membership shall be on a continuing basis unless a letter requesting withdrawal from the Sick

Leave Bank is submitted to the Human Resources Department of the school district. Upon receipt of said letter the committee shall be notified. Any member who chooses to withdraw from participation in the Sick Leave Bank shall not be able to withdraw any sick leave days already contributed.

- F. Members needing to utilize days in the Sick Leave Bank will request the needed number of days on a Sick Leave Bank Program Withdrawal Application form with the medical statement attached within seven (7) working days of return to work. The application must be completed in full. A participating employee may be eligible for sick leave from the Bank only after having met the following conditions:
1. Has used all his/her accumulated sick leave.
  2. Is not eligible for Worker's Compensation pay.
  3. Is not eligible for Injury in Line-of-Duty pay as granted by rule of School Board.
  4. Has been absent from employment for at least five (5) consecutive working days.
  5. The above condition number 4 may be waived to provide for intermittent or reduced schedule under the following conditions:
    - a. Illness has been judged by the Sick Leave Bank to be catastrophic in nature.
    - b. The days requested are directly related to the catastrophic illness.
  6. Has an application approved by the Sick Leave Bank committee.
- G. Sick leave credit, up to thirty (30) days, may be granted to a participating member applicant at the discretion and upon the authority of the Sick Leave Bank committee after consideration by the committee of all outstanding eligible applications. Any sick leave awarded from the Sick Leave Bank to a participating employee shall be used for absence due to the employee's personal catastrophic illness, accident, or injury. Mental/emotional illnesses and pregnancy will not be considered catastrophic illnesses. However, complications from pregnancy or mental/emotional illnesses, which require hospitalization or institutionalization, will be considered by the committee. The Sick Leave Bank committee, at its discretion, is authorized to grant fifteen (15) additional days in hardship situations. Once days from the sick leave bank are granted, the use of the sick leave bank days will begin on the fourth (4th) day without pay. These days without pay shall be in addition to, and shall start after, any days without pay as stipulated in Article XVII, Sections A.3.e; A.3.f; and A.4. Each participating member shall not draw in excess of forty-five (45) days from the bank within a twelve-month period from the date the Sick Leave Bank is used. Any unused sick leave bank hours will be returned to the bank at the start of each fiscal year. If a participant has hours remaining at the end of the school year and has a need to continue to use previously approved hours at the start of the new school year, the participant is required to notify the sick leave bank committee through the Human Resources department to reinstate eligibility before the start of the new school year. For 12 month employees, any unused sick leave bank hours will be returned at the start of each fiscal year unless a participant is in the midst of using previously approved bank hours when the new fiscal year begins.
- H. A participating employee shall not be required to pay back any sick leave awarded from the Bank except as otherwise provided for in this agreement. Alleged abuse of any provision contained in this agreement by a participant shall be investigated by the Sick Leave Bank committee. A finding of violation of any provision of this agreement may, upon the action and the authority of the committee, result in expulsion from further participation and/or a requirement to repay all the sick leave drawn from the Bank and be subject to other disciplinary

action as determined by the School Board.

- I. Employees who have earned annual leave must deplete all annual leave before they shall be eligible to draw from the bank.

- B. There shall be a duly called meeting of all bargaining unit members to fully explain the proposed waiver.
- C. There shall be a 36-hour minimum between the full disclosure meeting and any waiver vote.
- D. There shall be a secret ballot vote of all bargaining unit members to approve or disapprove said waiver. Such vote shall include a signature sheet(s). The waiver shall require an 80% approval of the total bargaining unit membership in order to move forward. A valid vote shall not be rescinded.
- E. SRPE shall designate individual(s) to monitor and assist in the conducting of A-D above. The SRPE designee shall be present at the secret ballot vote.
- F. The waiver shall then be presented to the SRCSB and to the SRPE Executive Board for final approval. A duly elected SAC representative shall be available to address questions and concerns prior to the final approval vote.
- G. Waivers shall not extend beyond the school year in which they originally take effect.
- H. Waivers may be extended one year at a time if there are no changes in the waiver. Extensions would require the 80% secret ballot approval and final approval of the SRPE Executive Board and the SRCSB.
- I. If an individual disagrees with an approved waiver and can find a certified bargaining unit member willing to exchange positions at a different school, said transfer shall be considered and an effort made to facilitate the transfer.

**ARTICLE XXIV: TERMS OF AGREEMENT**

This Agreement shall be effective August 11, 2014 and shall continue in effect through August 10, 2017. The parties shall meet annually to negotiate salary, insurance, supplements, and two others articles each of their own choosing.
