**K:** Substance Use and Abuse Education easily aligns with Science and Social Studies standards and seems an appropriate fit for elementary level instruction.

**1:** Substance Use and Abuse Education easily aligns with Science and Social Studies standards and seems an appropriate fit for elementary level instruction.

**2:** Substance Use and Abuse Education easily aligns with Science and Social Studies standards and seems an appropriate fit for elementary level instruction.

**3:** Substance Use and Abuse Education easily aligns with Science and Social Studies standards and seems an appropriate fit for elementary level instruction.

**4:** Substance Use and Abuse Education easily aligns with Science and Social Studies standards and seems an appropriate fit for elementary level instruction.
Substance Use and Abuse Health Education
Implementation Plan

5: Substance Use and Abuse Education easily aligns with Science and Social Studies standards and seems an appropriate fit for elementary level instruction.

6: Science is a content area for which we can guarantee all students receive the required instruction.

7: Science is a content area for which we can guarantee all students receive the required instruction.

8: Science is a content area for which we can guarantee all students receive the required instruction.

9: Courses were selected to guarantee all student in 9th grade receive the required instruction.

10: Courses were selected to guarantee all students in 10th grade receive the required instruction.

11: Courses were selected to guarantee all students in 11th grade receive the required instruction.

12: Courses were selected to guarantee all students in 12th grade receive the required instruction.

Please describe the methods for delivering the instruction for each grade level.

K: Instruction will be delivered by an online program and face to face instruction.

1: Instruction will be delivered by an online program and face to face instruction.

2: Instruction will be delivered by an online program and face to face instruction.

3: Instruction will be delivered by an online program and face to face instruction.

4: Instruction will be delivered by an online program and face to face instruction.

5: Instruction will be delivered by an online program and face to face instruction.

6: Instruction will be delivered by an online program and face to face instruction.

7: Instruction will be delivered by an online program and face to face instruction.

8: Instruction will be delivered by an online program and face to face instruction.

9: Instruction will be delivered by an online program and face to face instruction.

10: Instruction will be delivered by an online program and face to face instruction.

11: Instruction will be delivered by an online program and face to face instruction.

12: Instruction will be delivered by an online program and face to face instruction.
Please describe the materials and resources that will be utilized to deliver the instruction for each grade level.
