

Navarre High School

Commando Math Tutoring Services

STARTS: Monday, 28 August 2017

MONDAY - FRIDAY

TIME: 8:00 a.m. - 9:00 a.m.

WHERE: Room 113, Outside Entrance

***ALL MATH COURSES**

How is the program operated?

- Volunteers who enjoy math and want to help students succeed operate the tutoring program. They assist students to help them better understand their math concepts and clarify questions they may have with their homework.

Who can benefit from the program?

- This program is for motivated students desiring help with their math studies.
- Walk-in services are provided for all Navarre High students enrolled in all math courses, especially ****Geometry, and Algebra 1 & 2, Honors courses, and College Algebra.***
 - ❖ Services for students in upper level courses, such as ***Pre-Calculus, Trigonometry, AP Statistics, and Calculus*** **may be limited** to specific days because volunteers with knowledge for these advance courses may volunteer only on certain days. Students needing specific help should inquire with the program coordinator in Room 113 in the mornings before school or contact their guidance counselor.
