NAVARRE HIGH SCHOOL

Rules and Regulations for Parking at Navarre High School

Parking spaces on Navarre High School campus during the 2019-2020 school year is limited. I understand being permitted to park on Navarre High School campus is a privilege, and failure to obey any rules may result in school discipline, fines, booting, towing, and/or loss of this privilege.

- 1. All students who drive a vehicle on Navarre High School campus must have a parking permit.**
- 2. Your parking location will be assigned by NHS Admin. YOU DO NOT OWN assigned parking space.**
- 3. Only Seniors and Juniors will be allowed to park on NHS campus. Senior or Junior students in Dual Enrollment, DCT, Locklin Tech, or Marine Science students who transition to/from campus for academic purposes will have priority when issuing parking permits on campus.**
- 4. Students will NOT be allowed to park in any spaces or campus areas not assigned to them unless given permission from NHS administration or SRO.**
- 5. Parking on the grass right of way is not allowed. Students parking on the right of way in front of the school will be issued a \$32.00 SANTA ROSA COUNTY PARKING CITATION.**
- 6. Student parking decals will be sold for \$30.00. A replacement decal is \$15.00 and will only be issued by NHS admin or SRO on case-by-case basis.**
- 7. Decals must be permanently placed on the outside rear window or rear bumper and must be VISIBLE. Failure to display parking decal in an upright and clearly visible manner will result in a parking citation, repurchase of a new decal, and/or revocation of parking privilege.**
- 8. In order to effectively and quickly monitor the parking lot for safety reasons, vehicles must pull forward into a parking spot. NO BACKING INTO A PARKING SPACE.**
- 9. NON-USE OF AN ASSIGNED PARKING SPACE WILL RESULT IN REVOCATION OF PARKING PERMIT. A request for a refund on an unused parking space will only be granted on a case-by-case basis upon approval of NHS admin or SRO.**
- 10. Students who drive a different vehicle, other than the one registered must sign in on the temporary parking log located in Student Services daily. If a student frequently drives a different vehicle, they must register the vehicle for \$10.00 upon approval by the SRO.**
- 11. Students who use their vehicle to leave campus without permission or provide transportation for other students to leave campus without permission may result in parking permit revocation.**
- 12. Any students with chronic absences or late check-ins to school may lose the right to park on our campus and bus transportation to and from school will be afforded.**

PLEASE READ CAREFULLY

- 1. NHS parking citations are \$20.00. Failure to pay a parking citation within 5 school days from the date issued will result in the fine doubling to \$40.00. Failure to pay a parking citation within a reasonable amount of time will result in school discipline.**
- 2. Parking citations must be paid in Students Services.**
- 3. Parking citations may be issued but not limited to the following:**
 - a. No valid parking permit.**
 - b. Improper parking (Backed In)**
 - c. Parked in Faculty parking area**
 - d. Parked in unassigned parking space.**

By signing below, I understand and accept Navarre High School's parking policies and procedures. I understand that parking is a privilege on our campus and non-adherence to parking rules and regulations may result in the revocation of this privilege.
