Navarre, Florida 32566

To Whom it may concern,

My name is Tony Carter and I am the head coach for Navarre High School Boys Track and Field team. This will be my 2nd year as head coach and 4th year with the program. Also, please allow me introduce Katie Fein, our new head coach for the Girl's Track and Field team. Katie coached our Cross-Country team this year as well. We are both very excited to be part of this growing program.

Track and Field is an expensive sport to maintain and we wish to run a successful and effective program. Each year we have a minimum of 150 boy and girls participate on the team. I estimate that each season costs around \$25,000.00. Some of those expenses go towards: fees to participation at meets, travel expenses, repairing old and purchasing new equipment, uniform upkeep, hosting meets, etc. Last year, with the help of our Sponsors, we were able to purchase new uniforms for both our teams, purchase new nets for the throwing area, and take several more kids to State. This year our goal is to be able to rubberize the jumping and pole-vaulting runways and purchase new poles and replace the storm damaged pads for both events. I am reaching out to you in hopes that you'll help sponsor our team through one of our donation packages. **Donations are tax deductible!**
