

CHAPTER 3.00 - SCHOOL ADMINISTRATION

SUICIDE PREVENTION

3.14+

- I. The School Board is committed to protecting the health, safety and welfare of its students and school community. The Board recognizes that suicide is one of the leading causes of death for Florida's youth. It is critical for families and community members to communicate with and provide information to school staff to identify students at risk of suicide.
- II. The Board directs all school district staff members to be alert to a student who exhibits warning signs of self-harm or who threatens or attempts suicide. Any such warning signs or the report of such warning signs from another student or staff member shall be taken with the utmost seriousness and reported immediately to the Principal, School Threat Assessment Team members, or designee.
- III. The Superintendent or designee shall develop procedures to ensure that this policy is carried out in each of the District schools. The Superintendent or designee will prepare and disseminate guidelines to assist school district staff members in recognizing the warning signs of a student who may be contemplating suicide, to respond to a threat or attempted suicide. The Superintendent or designee will develop a Student Success and Safety Plan for students deemed a threat to self. The Student Success and Safety Plan will be written prior to or upon student reentry.
- IV. Schools will be made aware of professional development training in youth suicide prevention. Schools will also be made aware of a two (2) hour continuing education program of youth suicide awareness and prevention training, utilizing training materials from the list approved by the Florida Department of Education (FLDOE). If all instructional personnel at a District school participate in the two (2) hour training the school will be considered a "Suicide Prevention Certified School".
- V. For all circumstances in which a student expresses suicidal ideation or requires and involuntary examination (Baker Act), the parent(s)/guardian(s) must be notified.
