

CHAPTER 3.00 – SCHOOL ADMINISTRATION

USE OF DEFIBRILLATORS

3.24+

- I. The School Board authorizes the use of defibrillators in a perceived medical emergency and as authorized by the provisions of 401.2915, F.S.
- II. All persons who use an automated external defibrillator must obtain appropriate training.
- III. Exceptions to the training requirement are contained in 768.1325(3)(c), F.S.
- IV. Each school that is a member of the Florida High School Athletic Association shall have an operational AED on school grounds. The device shall be readily available for use. The location of the device shall be registered with the local emergency medical services director. All persons who are reasonably expected to use the device shall be notified of its location.
- V. The District shall develop procedures to govern the implementation of this policy. The procedures shall be reviewed and approved by the local medical emergency services medical director.
