

CHAPTER 7.00 - BUSINESS SERVICES

SELECTING PROFESSIONAL SERVICES

7.71

- I. In accordance with state law, architectural and engineering services shall be solicited through an application procedure. Except in emergency situations, the Board shall publish a legal advertisement in a local newspaper of wide circulation, describing the project or projects for which services are required and specifying the application procedure. A professional services contract shall be negotiated and recommended to the Board.
- II. The Board may require a design professional to have insurance against errors and omissions. In cases where insurance is required, the requirement shall be included in the advertisements for services.
- III. The Superintendent or designee may authorize outside consultants to provide professional reviews, assistance, or training to divisions, departments or schools.
