

CHAPTER 8.00 - AUXILIARY SERVICES

COMPETITIVE SALES REGULATIONS

8.43

- I. All vending machines installed on school premises must have School Board approval and shall not be operated in competition with the school breakfast or lunch programs. Concession sales operated by the student body association or by other such school agency or faculty groups during normal school hours must secure advanced authorization by the Superintendent. The concessions' sales shall not be operated in competition with the school lunch program.
- II. The Santa Rosa County School Board prohibits the sale of all foods (minimal nutritional foods as well as nutritious foods) from one (1) hour before breakfast, between breakfast and lunch and until one (1) hour after lunch at any location (other than Food Service Operations) that is accessible to students during the meal periods.
- III. Beginning one (1) hour after the close of the last lunch period, the sale of food and beverage items is permitted by other school organizations at secondary schools only.
- IV. Class activities (field trips, incentives, parties) shall be coordinated with the food service manager of the school site at least one week prior to the activity to ensure there is no competition with the food service program.
- V. At the high school level only, the sale of carbonated beverages (not to include snacks) by organizations authorized by the principal may be permitted at any time if the following conditions are met:
 - A. At all times, a beverage of one hundred percent (100%) fruit juice is sold at each location where carbonated beverages are sold;
 - B. The School Board approves the school organizations authorized by the principal before sales can commence; and
 - C. Carbonated beverages are not sold within sight of locations where breakfast or lunch is being served or eaten.
