

CHAPTER 8.00 - AUXILIARY SERVICES

IMPROVEMENTS TO SCHOOL PLANTS AND GROUNDS

8.53

Any group, including the parent-teacher organization, which desires to improve the school site, to add facilities, or to install equipment, shall submit a written proposal to the principal and Superintendent for approval. Any such improvement or addition shall become the property of the School Board. Permanent structures shall have utilitarian value in the operation of the school or may be erected in memory of some individual or group that has been associated with the school either as a student or School Board employee or an organization which has made some outstanding contribution to the school or District school system. All improvements or additions must meet current building codes, including Americans With Disabilities Act and wind uplift requirements and meet the requirements of Board Policy 8.51(2).

- (1) Articles of equipment donated to schools by individuals, groups, or organizations may be accepted if they contribute to the operation of the school program. Donors shall be notified that the title of this gift be in the name of the School Board.
- (2) All property, acquired, moved, or transferred, which requires alterations to the buildings or grounds for utilization of the facilities, is subject to the Superintendent or designee's approval or disapproval.
