

Congratulations Jackie Cedeno!

Santa Rosa Custodial Employee of the Year

ABM's Employee of the Year exemplifies our mission—to make a difference, every person, every day—in addition to upholding our core values of respect, integrity, collaboration, innovation, trust and excellence.

The Education team at ABM is proud to nominate **Jackie Cedeno** for Employee of the Year!

"I cannot tell you how many times Jackie has worked over or was sent to another school this year to help complete their shift.

She is one of our core group of employees who we can call on to help due to absenteeism or in some cases short-handed.

Jackie responds to the school's needs and is well liked by administration, staff and co-workers."

- Steve Sport,
Project Manager, SRC

Jackie has been with ABM since 2007 and is currently the night lead at West Navarre Intermediate. She supervises a crew of four custodians starting at 1:30 p.m. every afternoon.

Thank you, Jackie, for all you do at WNI and congratulations on being named Santa Rosa Custodial Employee of the Year!
