Christmas and the New Year is upon us right around the corner. I want to thank all for being respectful and showing patients upon our campus.

A little reminder, while out on X-mas break remember to keep vehicles locked and if firearms are kept in vehicles and Please, take them in with you. Do not leave your firearm in the vehicles. It is a fact during the holiday seasons thefts go up, so any valuables left in vehicles while X-mas shopping cover them up to and lock-it-up! Thieves are known to be lazy and will hit an easy target if they can see what they are attempting to steal.

I would also like to remind anyone who drives through the campus to put your phones down! Remember while in any school zone you are to be hands free while driving. I still see on occasion people driving thru the campus with a cellphone in hand talking. This is a primary stop for any Law Enforcement Officer and a citable offense.

F.S.S. 316.306 School and Work Zones: prohibit the use of wireless communication device in a handheld manner. This means you may not use a handheld device in a school zone or a designated work zone area.

Warm regards to all and have a safe and happy Christmas/New Year!

SRO Danny Tusler

Wishing you
Happy Holidays
AND A
WONDERFUL NEW YEAR
