Happy New Year!

Hello, everyone, and welcome to 2022!

I hope you all had a great break! I would like to let everyone know that Deputy Tusler is doing well and is eager to come back.

As we go into the new year, I want to start by reminding everyone about our SpeakOut program. This program is used COUNTY-WIDE, so if you have students in multiple schools in Santa Rosa County, they are able to utilize SpeakOut as well. The SpeakOut program is a 100% anonymous program that can be utilized by students, parents, or any concerned citizen. If it is related to Santa Rosa High School, it comes directly to ME, day or night! As soon as a report is received, especially if it is related school safety, it becomes top priority. At that point, law enforcement and school officials begin looking into it immediately. This program can be used to anonymously report a variety of safety concerns, to include threats to the school, fights, bullying, weapons on campus, drugs, incidents of self-harm, and more! It can be reported online on the school's website, by phone (437-STOP), or by downloading the free P3 Tips App on your mobile device. Please utilize this program if you feel the need to, but as always, my door is always open!

I would also like to remind everyone to slow down while you're driving on campus, especially at the start and the end of the school day, where students are walking across roadways.

I wish everyone a happy and productive 2022!

Sincerely,
SRO Richard Dunsford
