## JANUARY 2023 NEWSLETTER

Welcome to the new year, Locklin Tech and Santa Rosa High School students!

I hope that everyone had a good couple of weeks off from school to recoup until Spring Break. The new year will hopefully bring new and exciting things to all.

I would like to congratulate those SRHS students who have met their credits to move forward with their lives to either gain more knowledge with schooling or simply moving on with life itself.

With the new nine-weeks beginning and those new students arriving to join our Locklin Tech and SRHS Warriors school experience, I would like to say "HELLO," and welcome to our school.

### Driving on Campus

Please continue to be mindful of all posted signage around campus. There is a roadway which passes through our campus, so be vigilante when crossing the road.

Also, please sure you have purchased a parking pass if you are parking on campus.

**SRHS students:** \$5.00 parking decals

**Locklin Tech students:** \$5.00 parking decals/hangers

**SANTA ROSA COUNTY CRIME STOPPERS**  
**850-437-STOP**
