Dear students,

November is here which is one of my favorite months! Thanksgiving is a giving time and a time we can feast, fill our bellies, and gluten ourselves with good food.

I would like to pass on this to all. Being said of our diverse campus, being three different types of schools, I try to address the campus as one. This is a difficult task for me.

First, I would like to address the issue about vaping/tobacco use. Please be mindful, with young adults who are still maturing, developing, and understanding adulthood this can hinder your growth as an adult. Also, it is against this school district policy to have Nicotine products on school grounds. I would like to further add it can become a criminal issue which may result in an arrest and/or court hearing.

I wish all a happy November and enjoy your week off during Thanksgiving break!

Sincerely,
SRO Danny Tusler
