SEPTEMBER 2022 NEWSLETTER

Hello September, and goodbye to August. It's still either sweltering hot outside or fighting to stay dry from the rain!

I would like to thank everyone for driving safe upon our mixed campus. Please be aware it is a 15MPH speed zone on the roads throughout the campus (school zone). So **SLOW DOWN** and watch for pedestrians!

A reminder to all Faculty, Staff, and Students please make sure you have your parking decals/hangers visible while parked on campus during school hours. If you do not have a parking pass, students can go to the appropriate school's office to obtain the information. Staff members, please see your school's administration for parking passes. **I will be checking...**

Smoke free campus!

I would like to remind everyone attending school upon this campus (Locklin Technical College and Santa Rosa High School) that all forms of tobacco use are prohibited on school grounds! A citation will be issued, as well as further consequences from administration and/or guidance.
