

# Deputy Danny Tusler

## Santa Rosa Adult High Locklin Technical College Santa Rosa Online Campus School Resource Officer

---

Hello,

I will be writing a monthly newsletter about various topics which pertain to our campus. This will be ongoing throughout the school year. I want to bring attention this month about campus parking decals and general traffic upon the campus;

Please make sure if you are a student/staff member who drives a vehicle and attends/teaches classes on campus that you acquire a Parking Decal/Hanger and the decal/hanger is displayed appropriately inside the vehicle. (Staff members, please see Administration for decals.)

- Locklin students, please display your parking hangers on the mirror or on the dash visibly seen.
- Santa Rosa High students, place your sticker where Administration has instructed you to place your sticker.
- Reminder...if previous years "Old" Locklin/SRAH hangers/stickers are being displayed, warnings, administrative counseling and/or citation(s) may be a future consequence.

All students who drive on campus PLEASE abide by all traffic laws as this campus is a designated roadway(s) with a 15 MPH speed limit upon the campus.

- Please abide by all DOT approved signage which may be displayed throughout the campus.
- This is for the safety and well-being of all on this campus.
- A reminder to all, failing to follow traffic laws on campus, the consequences may result in Administrative counseling and/or a traffic citation(s).

Sincerely,  
SRO Danny Tusler
