

Request for Student Transfer Instructions – All Students

1. Students may be reassigned to a school outside of their residential zone with the approval of the Santa Rosa County School Board. The **Request for Student Transfer** form must be completed by a custodial parent or court-awarded guardian. A separate form must be completed for each child requesting a transfer.
 - a. The request for a transfer is initiated by completing this form. All schools will have the Request for Student Transfer form available and the form is also available on the district's web page, <https://www.santarosa.k12.fl.us/choice/>.
 - b. The request for transfer period is from April 12th – May 27th. The district grade level director will notify custodial parent or guardian of a decision for the upcoming semester by **June 7th**. The parent/guardian is responsible for submitting the form to the district grade level director at the Douglas A. Dillon Administrative Center, 6032 Highway 90, Milton, Florida. The request will be presented to the Santa Rosa County School Board for action.
 - c. All requests not granted as an In-County transfer will be considered based on criteria found in the Controlled Open Enrollment Plan section of the School Choice Plan. <https://www.santarosa.k12.fl.us/choice/>.

Requests for transfers under the Controlled Open Enrollment Plan are based solely on available space based on capacity of the requested school. The district will publish each school's capacity on its website <https://www.santarosa.k12.fl.us/choice/>. If the number of transfer requests is greater than existing capacity at a requested school, a lottery will be conducted from all requests submitted after the In-County Reassignments, Court Orders, and Military Preference have been decided. These determinations will be made no later than **June 15th**.
2. Transfers are considered individually and approved granted on space availability and in accordance with the Student Progression Plan sections 4.111, 5.109 or 6.112, and the Santa Rosa County School Choice Plan. A transfer is not a matter of right and is granted at the discretion of the School Board. If the recommendation to the School Board is to deny the request for the transfer, the parent may address the School Board.
3. The Santa Rosa County School District is NOT responsible for the transportation of students whose request for transfer has been approved.
4. **An approved transfer request shall be for the duration of that child's completion of the highest grade at the school to which the child has been reassigned.**
5. A new request must be submitted when the student progresses from primary school to intermediate school, elementary school or intermediate school to middle school, or from middle school to high school.
6. The eligibility of high school students to participate in interscholastic athletics is controlled by the regulations of the Florida High School Activities Association. Procedures for athletic eligibility will be initiated by the school to which the student is assigned, if applicable.
7. No request for transfer will be processed for a student for whom disciplinary action is pending.
