

Math Help

In an effort to provide parents with help for their student's math classwork/homework, the math department for the district is sharing the following information. We hope you will find this helpful.

HW Help Video - <https://vimeo.com/386055227> OR

Explains how to get into the math textbook, assignments, etc in Classlink

1. Interactive Student Edition--allows parents/students to view the complete textbook
2. Visual Learning Animation Plus-videos that explains what they are learning
3. Another Look—videos that demonstrates how to solve the problems
