

# PBIS at S.S. Dixon

## Intermediate

Dixon Intermediate is a Positive Behavior Intervention Support school. The PBIS mission is to increase the use of team based planning and problem solving to implement positive behavior support within Multi-tiered System of Support (MTSS). The PBIS program acknowledges and rewards students who display positive behavior during the school day. So many times we focus on the negative aspects of behavior and fail to take notice of the leadership and values displayed by the majority of our students at Dixon Intermediate. Our desire is that each student will build a foundation of good character, grow into a leader, and become a productive citizen for our community.

Our goal is to build a school where positive behavior is more effective than negative by using preventative teaching and reinforcement. Our school expectations are followed by the acronym P.R.I.D.E.

### What is P.R.I.D.E.?

P.R.I.D.E. is our school acronym for our desired behaviors in all school environments.

EVERYONE MATTERS

### Dixon Dollars

This year we will be implementing Dixon Dollars that will be awarded to students that demonstrate exceptional behavior, going above and beyond school and classroom expectations. Student will hold on to these bucks and exchange them for classroom rewards and PBIS school-wide events.
